With Our No-Risk Offer And Unconditional Satisfaction Guarantee... It's Like Trying Duplicell P199 Before You Buy It!

Duplicell P199 is truly exceptional. Is it the most advanced skincare formula ever invented for looking years younger and experiencing firmer, smoother skin? With less visible lines and a more radiant, supple skin texture including a pronounced lessening in the appearance of stubborn, age-betraying wrinkles?

We believe it is.

But we want YOU to embrace the miracle for yourself. Fortunately, you are invited today to witness the unprecedented rejuvenating benefits of this anti-aging breakthrough in the privacy of your own home, with NO-RISK whatsoever.

Duplicell P199 is so good it has been referred to as a "*Facelift Without Surgery*," and it works by stimulating your own stem cells to start replenishing again . . . to start "youthifying" your face, day by day, week by week.

PLEASE JUDGE THIS REVOLUTIONARY TOPICAL CREAM FOR YOURSELF!

It is backed by Dr. Boris Petrikovsky, M.D., Ph.D, a renowned in-utero surgeon and the developer of Duplicell P199 — and of course your satisfaction is unconditionally protected by a 100% Money Back Guarantee. Should you be disappointed in any way with the extraordinary and glowing results you see in your very own mirror, simply notify us within 30 days (with return of the used or unused portion of Duplicell P199), and we will issue you a complete Money Back refund, less shipping and handling. No questions asked.

The truth is, you really *are* trying this marvelous formula with No Risk and zero obligation. Duplicell P199 is poised to make every other cosmetic obsolete, and we want you to be among the first to try it.

It is not only as incomparable as we claim . . . it is far, far better!

To your glamorous new face . . .
