

Stark Bro's Customers say it best . . .

"This year was a good year for me as my Jumbo apple tree produced some 35 large size apples. The largest of them weighed 1 lb. and nine ounces and measured 16 inches in circumference."
William M. Knerler, Pekin, IN

"...How pleased I am with the two dwarf peach trees I ordered... I thinned 170 peaches from them...I have never seen such growth and quick bearing."

Edward A. Griglak, Chouteau, OK

"The crop off my SunGlo nectarine tree was just marvelous...We are well pleased with Stark Bro's trees and fruit."

R.C. Stoller, Oakwood, OH

more inside...

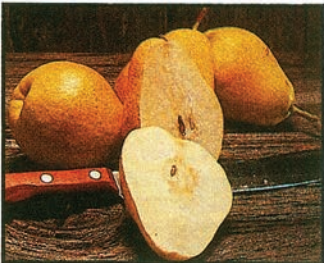

**Nature's sun-drenched,
delicious fruit...
A beautifully landscaped home...
Now you can have it all!**

Since 1816 Stark Bro's trees have been bearing fruit for home growers like you. Choose from the widest selection of apple, peach, cherry, pear, apricot, nectarine, fig, or plum trees; hundreds of varieties in all, including 68 "exclusives" available only from Stark Bro's. Or if you're a connoisseur of the smaller fruit varieties, you will find strawberries, raspberries, blueberries, blackberries, grapes, boysenberries, currants, elderberries, gooseberries, asparagus, rhubarb and the all new tayberry. If yard space is limited, there's a host of dwarf and miniature trees you can select. They are small in stature but bear full size fruit.

Perhaps you'd like to spruce up your yard with a climbing rose or white dogwood tree. Select them from our full color catalog, along with other roses, flowering trees, shade trees, hedges, shrubs and groundcovers. Or choose from our large selection of nut trees, including pecan, walnut, chestnut, almond, hickory or the new hican.
