100% Guaranteed to Work For You!**
— Smoke Anywhere . . . Anytime —

- Pure NICOTINE Cartridge
- Real TOBACCO Flavor & Taste
- Deep Oral Satisfaction & Smoker's "Rush"
- No Tobacco Smoke, Ashes or Smell

You are invited to try the most revolutionary alternate smoking system ever developed...the Vapor Mate™ System with the incredible E-Cigarette. There is No-Risk and you will have a full 30 Day FREE TRIAL period to experience the miracle of this breakthrough.

The Vapor Mate™ System does not try to "force-quit" you from smoking. In fact, this is NOT a smoking cessation system, though if you want to curb or quit your habit, nothing on the market can compare to this unprecedented product.

The Vapor Mate™ System includes a FREE E-Cigarette which looks, feels and "smokes" like a real cigarette but features a micro-computer battery and inhalation cartridge containing PURE NICOTINE with honest tobacco flavor and taste. Each "draw" provides you the therapeutic, soothing pleasure you get from a tobacco cigarette without the harmful chemicals and carcinogens expelled in tobacco smoke. Your "exhale" looks like smoke but is only harmless water vapor.

If you enjoy smoking yet are concerned about your health AND about offending nonsmokers, this system may be the answer to your prayers. Try it today without risk. INSIST on the name Vapor Mate™ and do not accept inferior substitutes. 100% Guaranteed to work.
