Here Alma Olsson finds peace and solitude in the highlands and mountains surrounding Kiruna. Until recently, severe arthritis and agonizing pain and joint stiffness hobbled and immobilized her daily movements, restricting activities and making even simple tasks like washing dishes and opening jars a torturous ordeal.

Now, thanks to the development and release of a prescription-free super compound called *FastFlex6*[™], individuals are reclaiming their lives again. You can try *FastFlex6*[™] right now on a free trial basis. It is 100% safe and will be shipped to you directly. See coupon on facing page.

'Thanks to miracle new arthritis cream, I went from sitting crying in a chair to camping under a million Lapland stars!'

"Thank you, **FastFlex6**[™]. Thank you. After years of suffering agonizing pain and stabbing flare-ups in my knees, back, shoulders and hands, I now feel like a new person. I have tried everything ... rubs, ointments, aspirin, pain pills, acupuncture — nothing worked. I cried, I thought my life was over. This cream is a total miracle!"

New scientific formula relieves even severe arthritis pain in minutes. Not a drug or opioid, no prescription needed. Free 30-day trial.

William Lundberg **Special Correspondent**

Alma Olsson felt hopeless. Life had no meaning anymore. Daily struggles just to put on clothing and socks — the crippling pain of arthritis and joint inflammation almost unbearable. "It hurt every time I moved," said Alma. "My back would throb. My hands, my swollen knees. I couldn't tie my shoes. My shoulders ached."

If you are living with arthritis, bursitis, tendinitis or musculoskeletal pain and inflammation, you know the debilitating effect it has on your body and your emotions. The pain is almost endless, even waking you during sleep. Depriving you of life's simple joys. Knotting and twisting your joints, cramping your muscles, flaring your nerves. Raw, immobilizing pain shooting through your body, stabbing like a knife — leaving you at the mercy of addictive painkillers with dangerous side effects.

"I Was A Prisoner In My Own Body – Desperate For Relief," Says Alma Olsson. "Then I Discovered A New Super-Compound."

"I was always an *active* person, being out- saline body of doors, hiking - I loved it. Then I got arthritis water that borand it shut me down . . . my knees throbbed. My ders Israel, the back and shoulders would freeze up. My fingers West Bank and Jordan. The Dead Sea is situgnarled. Even daily walks became a struggle. ated on the lowest land elevation on earth, and Housebound, I had two choices — to drift away the mineral salts formed in the seabed's substrate ACTING: When you apply the rich odorless

FastFlex6[™] contains a total of six proven antipain constituents. This formula is not a drug.

are concentrated in natural elements that effectively relieve joint swelling, soreness and stiffness. The salts inhibit inflammatory signals."

Thousands Of People Flock To The Dead Sea Every Year To Bathe In Its Healing Waters. Yet Alma Olsson Didn't Have To Leave Her Home ...

"I couldn't believe my eyes when I read about a newly developed arthritis formulation that was being heralded as a breakthrough for people suffering severe arthritic inflammation and joint pain. Particularly when I discovered that one of the main ingredients was dissolved Dead Sea Salts. I was compelled to try this compound. I had nothing to lose."

Introducing FastFlex6[™]. A Prescription-Free, **Drug-Free Topical Compound That Contains Six** Natural Pain Fighters. All Clinically Tested **Over Many Years. Including Dead Sea Salts!**

FastFlex6[™] is not a drugstore-brand arthritis cream. It does not contain the same traditional ingredients so often disguised by repackaging but offering little more than negligible crumbs of relief — if anything at all. Perhaps you have tried those smelly, greasy ointments and analgesics that stain clothing and bedsheets and dominate retail shelves . . . FastFlex6[™] is vastly different! Vastly better! A true advancement!

Here, in one powerful scientifically developed gel formulation — a specialized, non-gooey cream, are six individual pain-fighting constituents, each working independently and synergistically to relieve discomfort at its source. FAST

cream to areas of distress (simply apply with your as demonstrated by gains in range of motion, fingertips), you will quickly feel FastFlex6[™] working its magic. Penetrating deeply into inflamed tissues. Soothing dry, swollen joints. Relieving burning, raw nerves. Unlocking aching muscles. Quieting the relentless throbbing and stabbing pain that racks and stresses your entire body . . . your back and spine, neck, shoulders, hands, knees, hips, fingers and toes. FastFlex6[™] is not a drug and is non-addictive. It is highly potent but does NOT require a prescription.

Alma Olsson Spent A Weekend Camping In Her Beloved Lapland. A Year Ago, This Would Have Been Impossible. A Hopeless Pipedream!

"My life has changed completely since I found **FastFlex6[™]**. You might say I have been resurrected," says Alma. "I'm not cured, but I feel good, terrific, in fact. I am not stuck indoors. The pain relief I get from **FastFlex6[™]** is phenomenal and long-lasting. I don't ache. I'm not restricted in my movements. 'I would recommend this cream to anyone.' I can walk, I can hike, I can laugh. My body isn't agonized anymore. My joints feel lubricated, springy."

The Dead Sea salts improve blood circulation and thereby reduce the inflammatory response — they also serve as a detoxifying agent and a general muscle relaxant.

Trv FastFlex6[™] FREE For 30 Davs!

Not one, but SIX powerful pain-relieving ingredients working simultaneously and collectively - blended into a single, 100% safe drugless gel. Indeed, this research-backed compound contains 6 specialized agents — Dead Sea salts, cetvlated fatty acid. silicon. glucosamine, shea botor and olea europaea. Each of these amazing substances could stand alone as a highlyeffective therapy; together, they function as an invincible anti-arthritis breakthrough.

For example, cetylated fatty acid has been shown by The Journal Of Rheumatology to reduce pain and inflammation quickly with no side effects. In a double-blind study conducted at the University of Connecticut, 100% of arthritic subjects using this powerful substance showed significant improvement in just 30 minutes -

BEWARE OF OPIOIDS VERY IMPORTANT: FastFlex6[™] is NOT a pill. It is a cream. And it is 100% safe ... no prescription required!

Thousands of people die every year from prescription drugs, including opioids like those shown above. Prescription medications such as opioids are highly addictive and easily abused. As the body builds a physical tolerance to them, additional stronger drugs are needed, leading to a vicious cycle that can damage health and induce serious side effects.

If you suffer from arthritis or crippling joint pain, please try *FastFlex6*[™]. This revolutionary compound is NOT a drug and has no drug chemistry. Simply massage the cream into aching joints, sore muscles, raw nerve endings, inflammed tissues — wherever you hurt. The secret of *FastFlex6*" is in the precise combination of 6 anti-pain agents working in harmony with your body's own biochemical processes. You'll feel blessed relief in just minutes as your pain melts away. *FastFlex6*[™] is yours to try FREE for 30 days. Judge the astounding results for yourself. Isn't it time to stop ... suffering!

pain levels, stair climbing and muscular endurance tests

An article in Natural News concerning arthritis and salts stated that "salts" hold the key to arthritis relief. Specifically, Dead Sea Salts. In a human trial of patients suffering from osteoarthritis or localized tendinitis and treated for one or two weeks with Dead Sea Salts, improvement was seen in ALL pain parameters with use of the concentrated salts. Local people in western Africa where the Shea Nut Tree bears shea botor, refer to this substance as "miracle butter" due to its incredible powers in healing pain, swelling and arthritis. Clinical studies have shown that shea botor exhibits significant anti-inflammatory activity. The FULL ingredient-matrix which comprises the **FastFlex6[™]** compound has substantial and significant science behind it. Documented studies. Trials. Brilliant research by renowned doctors and practitioners. That's why it works. That is why this cream is so highly endorsed.

DIRECT DISTRIBUTION ONLY!

This is a 100% RISK-FREE offer. By re-Another Success Story ... Mrs. Molly Nilsson standing among vintage buildings on the charming cobblestone streets, Sweden Rheumatic and musculoskeletal diseases effect a quarter of all people in the European Union — over 120 million men, women and children. Molly If you do not agree at the end of 30 days that Nilsson's arthritis in her hips and back made it difficult to walk, nearly impossible to climb stairs or navigate guickly through street traffic. "All that changed when I tried FastFlex6." says Molly. "Right from the first application I felt better. The stiffness in my leas and hips loosened auickly, my flexibility was vastly improved. My back felt like it was being lubricated from this gel — I could turn and bend over without gasping in pain. What a difference this product has made in my life. It doesn't smell, it's non-greasy and won't stain. I can shop and enjoy the city and the cafés again." Manufacturer's Note: Molly's story mirrors that of so many others who have tried *FastFlex6*[™]. This revolutionary formula does not contain any eases and pain management. You are invited to try this 100% safe topical cream yourself on a FREE 30 day trial basis. There is no risk. You have nothing to lose whatsoever, but your pain and inflammation.
