The Truth Is . . . Vapor Mate™ is “BETTER THAN QUITTING!”

Forget the “patch.” Eliminate the “gum.” This System is better than anything...EVER!!

Why? *THE ANSWER IS SIMPLE: Because you are STILL SMOKING. You are still holding a cigarette in your hands. You are still enjoying the hand to mouth habit that only the pleasure of smoking can deliver. Plus, you are still able to experience that social connection. Still able to place the E-Cigarette between your lips and take a deep satisfying draw. Still able to savor that stimulating NICOTINE “rush.” And you are STILL able to exhale smoke (although it is only harmless water vapor . . . devoid of dangerous tobacco chemicals and carcinogens).*

The Tobacco-Less E-CIGARETTE Truly Is A Marvel Of Modern Science...
