THIS IS THE HOTTEST FISHING DISCOVERY OF ALL TIME!

(SPECIAL) — Incredibly, fishermen from coast to coast using a secret formula are catching so many fish that they have written glowing letters and sent in pictures raving about their unbelievable experiences. It doesn't matter if you're fishing in fresh or saltwater, from a boat or shore, if you're using this formula you will catch fish.

100% LEGAL

The formula is 100% safe and legal to use in all 50 states and Canada. It is now being duplicated in a laboratory for mass distribution, but originally it was the proud secret of an Indian guide in Wisconsin. Only by accident was this formula ever discovered and brought to market. The "mode of attraction" is a trade secret and cannot be revealed, but this formula when sprayed on your bait will put more fish

READ WHAT FISHERMEN SAY ABOUT THIS INCREDIBLE DISCOVERY:

"I've used your formula and it's the most wonderful product that I have ever used. I've been retired for the past two years and do plenty of fishing . . . My last fishing trip was on a charter boat out of Brielle, New Jersey for cod fishing from the stern of the boat with 42 other fishermen aboard. I caught 14 cod using your product and was high hook of the day."

—E.N., Trenton, NJ

"I recently went on a deep sea fishing trip, and couldn't even get a strike. In my tackle box was a can of your formula. Needless to say I highly recommend it, as I came home with over thirty (30) sea bass and some pretty fair size grouper."

—E.S., New Port Richey, FL

"Three weeks ago I decided to try it (your formula), and believe me it works. I was not catching any fish and after I used it I caught 11 catfish ranging from 4-1/2 lbs. to 12 lbs."

—E.S., Canoga Park, CA

"A friend of mine bought some of your fish spray from you and let me have one container. I used it and my husband didn't. I caught three times as many fish as he did and the ones I caught were bigger."

—Mrs. G.A., McKenzie, TN

"Used your spray last week and knocked them dead! I am a 73 year old woman and beat every man on the lake in the area I fished in!"

—Mrs. L.T., Stockton, CA

Just Spray On Bait

How do you use this formula? It's simple because it has been made into a spray that fits easily into your tackle box or fishing vest. Simply spray on your bait before casting and get ready for hot all-day action. In field tests using this amazing product, the sprayed bait caught virtually all the fish while the placebo bait (unsprayed) got nothing but sporadic nibbles.

This formula works equally well on artificial and live bait, and on all species of fresh and saltwater fish. It is not available in stores, but you can purchase it direct by mailing the coupon.
